HOW YOU CAN HELP

PATRONS: Sir Patrick Moore CBE, Mrs Edward Carpenter, Lesley Anne Ivory

Are you a cat-lover who would love to help if only you had time to spare? Here is a list of ideas with something for almost everybody to choose from. Some of these require very little involvement, whilst others would demand more time and commitment. If you are able to help download and print off this document, tick the appropriate box. Fill in your details on page two and return to the address shown.

- Become a member (or introduce a new member):** You can join for only £8 per annum, (£4 for senior citizens). A membership application form is on the reverse of this leaflet.
- Sponsor or foster a cat or kitten:** We have cats and kittens coming into our care all the time. We never kill for expediency so fosterers are urgently needed. Why not sponsor the upkeep of an animal? The cost is from £5 per week. We usually have tame cats and kittens ready to go to homes as well as those who stay longer because they need taming, are expecting kittens or are nursing queens.
- Help on a stall, jumble sale or bazaar:** A few hours of your time can mean a great relief to our regular helpers. If you drive, can you help with transporting goods or maybe offer some storage space in your garage, loft or attic?
- “Bring & Buys”, quiz evenings, auctions, garden parties etc:** These events can often raise considerable sums in comparatively little time. Collecting boxes and literature are available on request.
- Collect or make goods for us:** Unwanted gifts of any kind, good quality bric-a-brac, books, toys and hand made items are always gratefully received. Some branches can use jumble and second hand clothes.
- Trapping:** For safety this is best done in pairs, especially at night. We have a particular need for people who drive.
- Transport:** All our branches are short of drivers. Lifts are needed to vets, to sites and to prospective homes to be vetted. We are usually able to refund petrol expenses if needed.
- Sponsor a stall or an advertisement:** Our branches often fundraise at local fairs. Maybe you could sponsor the cost of a stall or help pay for an advertisement to find new homes for the cats in our care.

PLEASE REMEMBER US IN YOUR WILL. MAKE SURE YOUR LEGACY IS FOR “CAT ACTION TRUST 1977, REGISTERED CHARITY No. 801245”. YOU CAN LEAVE MONEY TO HEADQUARTERS OR TO ONE OF OUR BRANCHES.
